50 PLUS MILFS

Because 40 is too damn young!

BY EDITOR DAVE ROSENBAUM

How much have times changed? Well, figure this:

- Back in the early 1990s, The SCORE Group published *30Something*. The magazine mostly featured 30somethings, but an occasional 40something, 50something and even a 60something found her way into the magazine.... and when they did, it was a big deal, something other mags didn't do.

- Over the next few years, our readers let us know that 30something just wasn't old enough. They wanted more-mature women. We answered with *40Something* magazine. In the beginning, the average issue of *40Something* featured mostly women in their 40s with an occasional 50something and 60something thrown in to satisfy the readers who, little by little, were asking for them.

- Before long, we realized that if 40 was the new 30, then 50 was the new 40. Near the end of the 1990s, the average issue of *40Something* was split evenly between women in their 40s and women over 50.

- When we started doing that, you let us know that you wanted more 50somethings and 60somethings. You asked, "Why not an entire website devoted to 50somethings?" We introduced 50PlusMILFs.com, which has become the fastest-growing adult website on the Internet.

And that's when we decided that a magazine devoted exclusively to 50somethings and 60somethings didn't merely make good economic sense...it was something we owed to our devoted readers.

Welcome to *50Plus MILFs* magazine, brought to you by the editors of *40Something* and 50PlusMILFs.com. Brought to you by men who know that

What sane man would want a teenager when he can have Rita Daniels (left) and Honey Ray?

mature women are not only better in bed, they look better and sexier, too. Anyone who needs more proof should just page through this magazine.

Mature women don't have to try to act sexy. They *are* sexy. They don't have to guess at what men want in bed (something younger girls try to do all the time). They know what men want in bed. They're not selfish in bed. And they've learned that sex is one of the best things in life, not something you have to do to get your husband to take you to the mall.

Me? I shudder at the idea of having sex with a 21-year-old girl. Sex is supposed to be fun, not a chore, and it's always fun with a mature woman.

So enjoy this premiere issue of *50Plus MILFs* as much as we enjoyed making it. If you have any comments, send them to editor@50PlusMILFs.com or mail them to *50Plus MILFs*, 1629 N.W. 84 Avenue, Miami, FL 33126. That's the old-fashioned way. The way we like it!

Interview

50Plus MILFs: Hi, Honey. We've seen you before, haven't we?

Honey Ray: If the guys read *40Something* they have! I had long, dark hair, and now I have short hair and I'm blonde. I'm an executive secretary, and this look fits me better.

50Plus MILFs: Would the people at work be surprised to see you here?

Honey Ray: Oh, yeah. They think I'm very conservative. I hide most of my tattoos at work. If they saw me in the magazine, they wouldn't even think it was me.

50Plus MILFs: It's not just the tattoos that you hide, right?

Honey Ray: I have some piercings. I have two on my nipples, and then I have some down there on my pussy.

50Plus MILFs: Let's go piercing by piercing. Which came first?

Honey Ray: My belly button. I went with my daughter nine years ago. Second was the nipples. I'm a nudist, I do a lot of things naked, and I think it's nice body jewelry.

50Plus MILFs: And your pussy?

Honey Ray: That came last. I had a hood piercing for about a year, and then I took that one out, and then I felt naked. I like the looks of something there, so I went back to my piercer, and she talked me into these two. The top one is called a Christina, which is my daughter's name. She doesn't know about those!

50Plus MILFs: Does the piercing do anything for you during sex?

Honey Ray: No. It's more of a decoration. When I had the hood piercing, that was more sexual because it touched the top of my clit, but it was in the way when I used my pocket rocket and I felt distracted. So now, off to the side, it's out of the way of sex, so I like it better. I've never had anyone complain about it. And I like the idea of it. It's erotic.

50Plus MILFs: When you wear a tight shirt with no bra, it must be very obvious that your nipples are pierced.

Honey Ray: It is. My husband and I go to a lot of motorcycle events. He'll walk behind me and watch people's reactions, and he'll see wives slap their husbands because they're looking at me. I think it's pretty funny, and I love the attention!

Now that Honey Ray has told you all about her piercings, it's time to get a closer look. It's amazing to think that she leads such a normal life: mother of five, wife, executive secretary, enjoys working on her scrapbook. And, yet, she has a naughty secret that only begins with her pierced nipples and pussy. Her secret continues in the new DVD *Chocolate Stuffed MILFs*.

There's a preview of *Chocolate Stuffed MILFs* beginning on page 14, along with photos of Honey Ray's juicy 54-year-old pussy getting fucked by a giant black cock. Honey Ray had been with black guys before ("A few," she said. "They were very nice.") but none as hung as this guy. "He was about 10 inches and thick," she said. "At first I was a little intimidated. I didn't know how I was going to get my mouth around his big cock-head, but I managed, and when his dick zeroed in on my pussy, I got so wet, his dick had no problem sliding right in!"

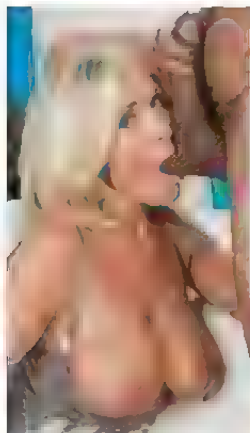

Honey Ray has a husband who likes to watch her fuck other guys. She's a swinger, but she isn't easy. "I'm actually very picky, but I enjoy the atmosphere of swing clubs and the teasing," she said. "I like going out to clubs and being able to dress more provocatively than I would in a regular club, like half naked, and dancing and having a good time. One of the things I like most about being in the magazine is the teasing. Sure, I get off on the fucking, but I love the idea of all the guys at home masturbating to my pictures. That always gets me off!"

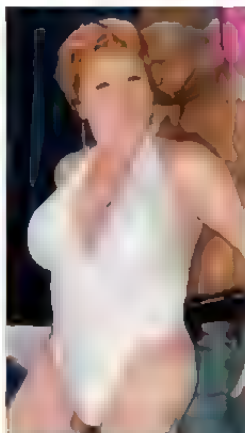

50 PLUS MILFS FEATURED DVD

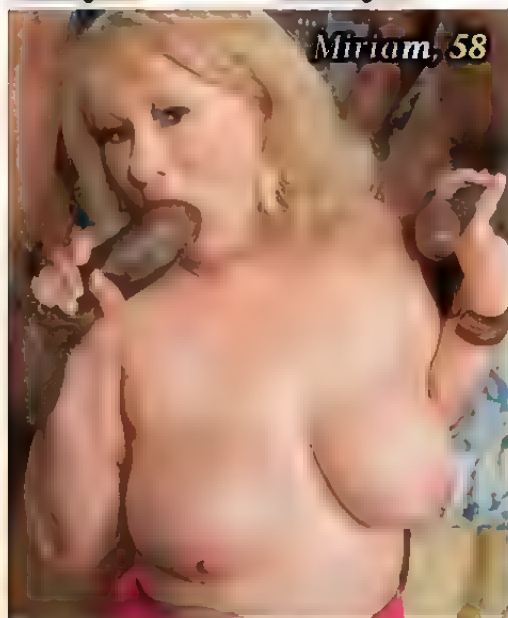

The six 50somethings and 60somethings in this DVD have heard the saying, "Once you get black, you never go back," and now they're transforming into big-dick loving chocoholics. In the filthiest movie ever from the editors of *40Something* magazine, these MILFs take a ride to the dark side of town!

GIANT BLACK DICKS invade mature pink holes!

CHOCOLATE
STUFFED MILFs

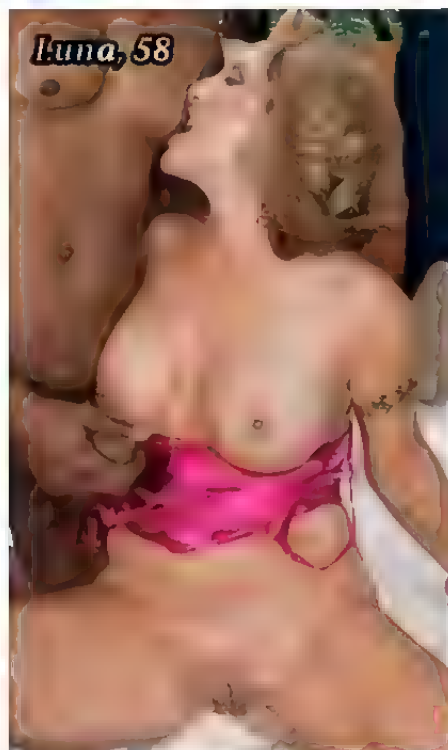

Honey Ray, 54

My, Honey, what a huge cock you're fucking!

When the house painter catches her drilling her pussy with a dildo, Honey Ray (pages 6-13) invites him into her bedroom. She manages to wrap her little mouth around his massive, black tool, which overwhelms her pussy, too. Honey Ray seems to be saying, "Look at this giant black cock pummeling my cunt!"

Big, black rod bottoms out in Luna's tight cunt!

Luna's never sucked and fucked a black cock before, and she loves it! Watch Luna completely lose control of herself as she lustily sucks the big dick and swollen nut sac, then takes the cock balls-deep in her pussy for a thorough cunt thrashing. You'll love it when she jacks his sauce onto her stomach.

Miriam needs all of her holes filled with dark chocolate.

One cock wasn't enough, so we gave Miriam Harding two. She sucks them both, sucks one while the other is fucking her pussy, then changes positions. They beat their cocks against her face, then one guy fucks her ass while the other feeds his cock and balls to her from above. Miriam can't get enough dark cock or cum all over her horny face.

Why is she called Julia Butt? Because she loves to take it up her butt!

Tight-bodied, dirty-talking Julia gives the dude's big dick a sloppy sucking and sucks his balls, too, before hopping on for a ride. This barefoot, big-titted granny grinds her cunt into his cock, then spins around for some hard anal action. You'll love Julia's tan lines and how she opens up her ass so the guy can squirt his cum inside. You'll love seeing her transform from seemingly innocent granny into GILF fuck slut.

Got it bad, got it bad...black cock for teacher!

What happens to prim and proper school teachers when they retire? They turn into horny fuck sluts who seduce their former students. Valerie likes having her hair pulled when she's sucking cock. It gets her pussy wet because she knows what's next. See Mrs. Valerie spread her ass while she's riding the black stud's cock, then take his sticky load in her hungry mouth.

Katia, 56

**Katia fucks a cock that's
as thick as her forearm!**

At first, Katia was a little intimidated by it, but she was up to the challenge. In fact, once the guy started wagging his cock in her face, she just couldn't get enough and wanted more! Amazingly, Katia seemed to have an easier time taking that giant dick in her butt hole than in her pussy. Go figure!

Summeran

59
YEARS OLD

Born: August 8, 1950

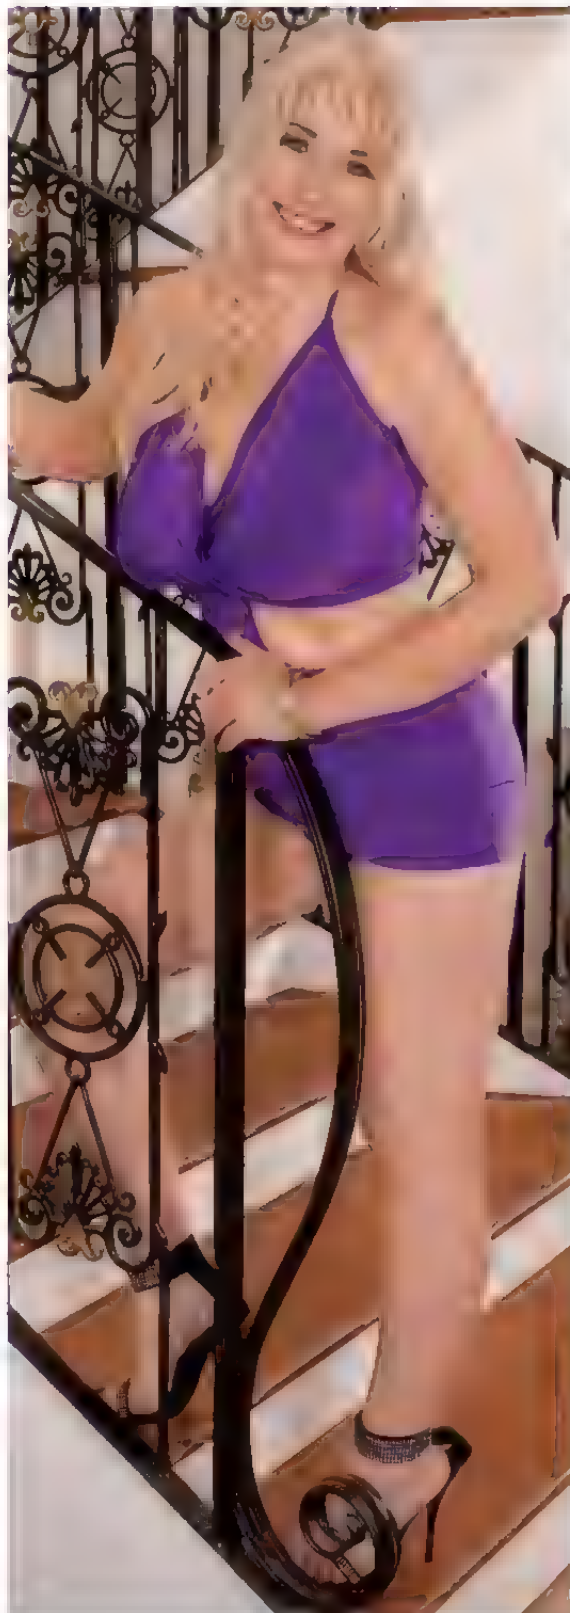

Height: 5'7"

Weight: 125 lbs.

Lives: Wyoming

Status: Divorced

Occupation: Consultant

Interview

50Plus MILFs: Hi, Summeran. Welcome to *50Plus MILFs* magazine.

Summeran: Thank you!

50Plus MILFs: Now, you're from Wyoming. We don't get a lot of MILFs from that area of the country.

Summeran: [Laughs] All your hot, sexy MILFs come from California and Florida, right? Well, we have some where I live, too.

50Plus MILFs: Now, tell the guys why you're here.

Summeran: Well, I'm here to prove to everyone that a woman can still look hot and sexy when she's 59.

50Plus MILFs: And, of course, we're going to see you fucking a 23-year-old man in the new DVD *50Plus MILFs Anal Edition*.

Summeran: I know! It's very exciting! I mean, here I am having sex with a man who's 36 years younger than me. It makes me feel great!

50Plus MILFs: Now, as we said, you live in Wyoming.

Summeran: Actually, I split my time between Wyoming and Colorado. I was born in Colorado.

50Plus MILFs: What do you like to do in your free time?

Summeran: Besides having sex? [Laughs] Lots of things. Photography, swimming, hiking, snorkeling, going to the movies. Ballroom dancing is fun. And modeling is wonderful!

50Plus MILFs: What do you like most about it?

Summeran: Well, it's very exciting to think that I'm 59 and men still find me sexually attractive. And not just sexually attractive but enough so to be their fantasy girl in a men's magazine. It just gets me very excited to know that there are guys sitting at home right now, and they're...you know.

50Plus MILFs: I know what?

Summeran: You know, masturbating. Looking at my photos and having a good time. But guess what, guys? I'm having a better time!

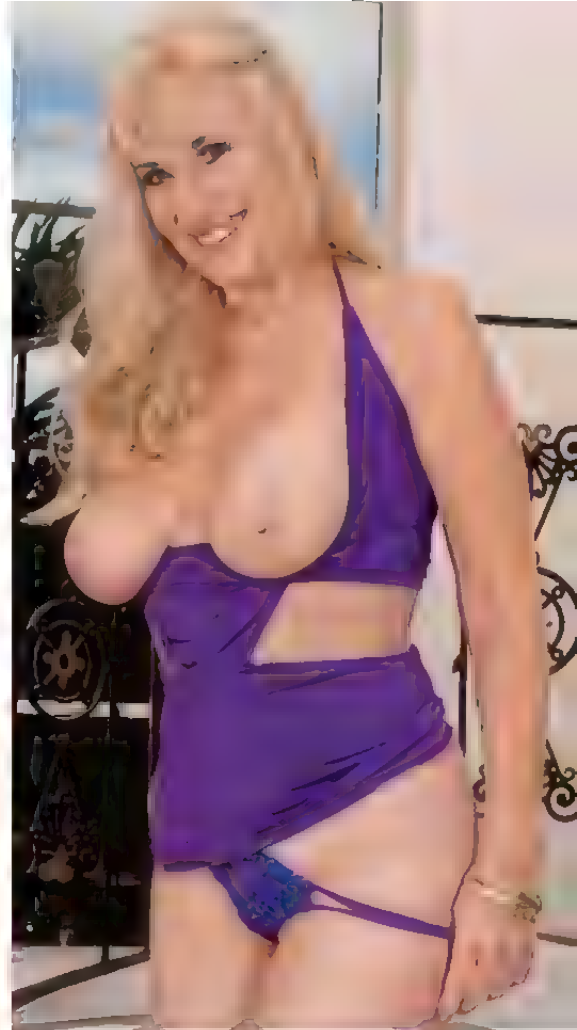

50Plus MILFs: Let's talk about masturbation. What do you do that makes you cum fastest?

Summeran: I like to think about someone sucking on my breast and having a dick in my pussy and maybe one in my mouth and one in my ass.

Interview continued on page 28

A woman with blonde hair, wearing a purple spaghetti-strap dress and black high-heeled shoes, is posing on a wooden staircase. She is leaning forward with her legs spread wide, looking back over her shoulder at the camera with a smile. Her right hand is resting on her hip. The staircase has a decorative black metal railing with circular motifs. The background shows a window with a view of greenery.

There's a knock on the door, and Summeran comes down the steps—the steps in these photos, in fact to answer it. She's wearing a short, sexy dress that displays lots of cleavage. "Well, hello there!" she says when she sees the grocery delivery boy, and she invites him in. She's very happy to see him. She'd be even happier to see his cock, and she doesn't mind when he drops her milk on the floor. It gives him the opportunity to look up her dress. "Today's your lucky day," she says. "I'm ready to give you your tip." He's ready to give Summeran her tip, too...the tip of his cock, and the rest of it!

Before long, Summeran is down on her knees, sucking the delivery boy's cock, and not too long after that, she's taking a special delivery of his dick deep inside her pussy and asshole. This is an impressive hardcore debut by the 59 year old divorcee from Wyoming, one you can view in the new DVD *50Plus MILFs Anal Edition*, available on page 99 of this issue. In her interview that begins on page 21, Summeran tells us how much she enjoys getting fucked in her ass, but she doesn't have to tell us. We can tell from how she's moaning in her scene.

Summeran has so many impressive assets. Her beautiful face, bright smile and long legs, of course. Here, she shows off a few more. Her pliable pussy lips. Her wet, pink cunt. Her puckered asshole that seems to be screaming, "Fuck me!" And check out what Summeran's doing with that double-donger! Yes, she's having her own, private DP party...and you get to watch. "I've never stuck a dildo in my pussy and my ass at the same time," Summeran revealed to our photographer. Proving that at 59, there's still such a thing as a first time.

I love a wet tongue or a juicy cock. A cock in my mouth while a beautiful woman eats my pussy is best.

Summeran

continued from page 21

50Plus MILFs: Wow! So when you masturbate, you think about having a DP threesome?

Summeran: Threesome, foursome. The more the merrier! One in my mouth, one in my pussy and one in my ass could be fun, too!

50Plus MILFs: You've done that?

Summeran: [Smiles] Maybe. All I can say is that I don't have a lot of sexual

fantasies because most of them have been fulfilled. My true fantasies are renewed when I am helping someone fulfill their fantasy. Anything new is a fantasy. I am as old as I feel and as young as I look, and I just want to have fun. I usually don't tell people my age because you can be old with young thoughts or young with old thoughts.

50Plus MILFs: Have you ever had sex with another woman?

Summeran: Not just one. Four other woman at the same time!

50Plus MILFs: Four? We have to

hear about that!

Summeran: I wish I could tell you, but all I remember is breasts and pussy and a lot of licking and playing. I did some watching, too. I like to watch.

50Plus MILFs: Now, you have long legs and big breasts...

Summeran: Thirty-four double-D!

50Plus MILFs: Thanks for the info. When you're out in public, how do you like to dress?

Summeran: It depends on the occasion and what the weather is. I dress conservatively, but I layer my clothes so I'm ready for any occasion. For example, I might be wearing a conservative business suit, but underneath I might have on a sexy push-up bra and crotchless panties. For a date or a girls night out, I always dress sexy.

50Plus MILFs: So no matter the situation, you're always ready to go.

Summeran: Always!

50Plus MILFs: And will you always make the first move?

Summeran: It depends on the situation, but I usually love for a man, or a woman, or a couple, to be aggressive and take the lead. I'm not the kind of girl who will go up to a guy and say, "Let's fuck."

50Plus MILFs: What sexually satisfies you best?

Summeran: I love a wet tongue or a juicy cock. Preferably both at the same time. A cock in my mouth while a beautiful woman eats my pussy is best. I guess if I have one fantasy left, it would be to have a marathon sex session with a lot of guys, like 10 or 20, and it goes on for hours, even days, and we only stop to eat. And I never have to worry about the men being sexually exhausted because there are always more.

50Plus MILFs: I'm sure you could set that up if you wanted.

Summeran: Not as easily as you might think. Like I said, I'm not going to walk into a room full of men and say, "Let's fuck."

50Plus MILFs: Your scene in *50Plus MILFs Anal Edition* is your first boy-girl on camera, and you do anal.

Summeran: Why not? In my personal life, I love anal sex, so why wouldn't I want to have anal sex my first time in front of the camera? Some people make a big deal out of anal sex, but to me, what's the difference between a penis in my pussy or a penis in my ass, other than a guy's cock feels bigger when it's in my ass. And that's a good thing! **50**

Lani Maru

55
YEARS OLD

Born: March 23, 1955

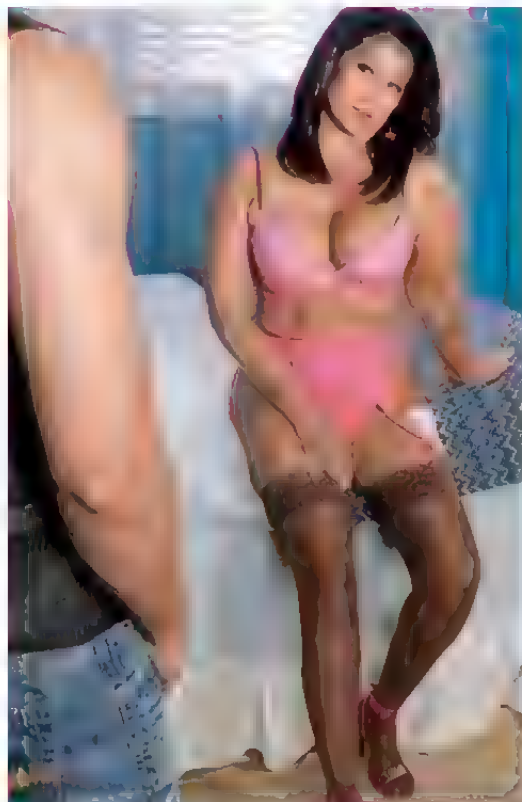

Height: 5'6"

Weight: 128 lbs.

Lives: Michigan & Florida

Status: Married

Occupation: Housewife

Interview

50Plus MILFs: Hi, Lani, and welcome to *50Plus MILFs*. You're very exotic looking. Where are you from?

Lani: My husband and I live in Michigan and Florida. I'm originally from Maui, Hawaii, but I'm not Polynesian. I'm Mexican-American and maybe with an American-Indian background. People say, "Are you Hawaiian? Are you Polynesian? Are you Oriental?" Everything but what I am. Nobody ever guesses right.

50Plus MILFs: You're one of the youngest-looking 50somethings I've ever seen. When people find out that you're 55, what do they say?

Lani: "You are not 55 years old." I say, "No, I am." I always used to go to an amusement park, and they had the game where the guy would guess your age, so I'd say, "Guess how old I am," and they'd say, "Oh, 18." And I'd say, "No, I'm 32!"

50Plus MILFs: Now, you're here at *50Plus MILFs* to have sex.

Lani: I love sex!

50Plus MILFs: What do you like most about sex?

Lani: Probably a cock going inside me. Cuddling is okay, but it doesn't compare to hardcore fucking. Cuddling can come later.

50Plus MILFs: That's a man's answer! Do you swing?

Lani: That's a good question. I wouldn't consider myself a swinger, but I'm in the lifestyle. Do I go to clubs wanting to get fucked? No. Do I want to get fucked by anybody? No. Am I open to that? If the situation is right, yes. My husband and I don't do anything behind each other's backs. If we're having sex with other people, we're in the same room. He'll be with another woman, and I'll be with another guy, or better yet, I'll be with another guy and he'll watch.

50Plus MILFs: Is sex better now than it ever was before?

Lani: Absolutely. I'm comfortable with myself, I'm comfortable with my husband. The trust is there. We don't have to deal with that, and just being a mature woman nowadays, cougars are considered hot, and it's accepted that an older woman knows the best way and how to turn a guy on. So I'm very comfortable with myself.

You should know that when Lani was talking to us for the interview that appears on page 31, she was stroking the male stud's cock. Then, in the middle of an answer, she asked if it was okay for her to take a few sucks. "Go ahead. Be our guest," your editor said. She sucked and sucked some more. Then she went on answering questions while giving a hand job. And then she demonstrated how she likes a man to slap her womanly ass. "Hard," she said. "You can tell by the sound if you do it right."

Lani was the proud recipient of *50Plus MILFs* magazine's first cream pie. The stud's cock drilled her tight pussy (she says it's tight because she's had sex with only 10 men in her life), and when it was time to cum, he didn't withdraw. No. He shot his load inside Lani, then got out of the way so we could see the white stuff pouring out of her. "I love when a man cums inside me," Lani said. "I know I made him feel good." And us, too!

50 PLUS MILFS

FEATURED INTERVIEW

INTERVIEW BY DAVE ROSENBAUM

Few things in the world of adult magazines and videos are better than seeing a woman who's never posed for any magazine or website (even an amateur one) baring her soul and the rest of her body for the first time. So here's Rita Daniels, a 59-year-old

"I'm an exhibitionist, and I just love to fuck!"

divorcee and MILF. This interview can only scratch the surface of what's so wonderful about Rita. There was so much to cover with her in such a small amount of time. For example, while this interview was taking place, her boyfriend was watching.

"He wants to watch me fuck," Rita tells us. "He loves to see me get cum all over my face."

Now, in the interest of full disclosure, your 50Plus MILFs editor is going to admit that he thinks Rita is one of the hottest, sexiest women he's ever seen. He loves her big tits and shaved snatch. He loves...

Well, you're about to find out everything he loves about Rita.

50PLUS MILFS: Hi, how're you doing?

RITA: I'm doing great.

50PLUS MILFS: And you're from?

RITA: Right now I'm living in New York City. Brooklyn, to be exact.

50PLUS MILFS: And Rita, you are a brand-new newcomer, aren't you?

RITA: Yes. I've never shot for anybody.

50PLUS MILFS: So we get to see you naked for the first time.

RITA: Yes!

50PLUS MILFS: I have to ask you this question: What are you doing here?

RITA: What am I doing here? I am an exhibitionist, and I just love to fuck.

50PLUS MILFS: And the readers can see you fucking right now online at 50PlusMILFs.com. Now, you're wearing some very sexy lingerie in this photo shoot. Is this what you wear when you're working?

RITA: Well, no, but I have some very sexy business suits. I'm a sales rep.

50PLUS MILFS: I'm sold! I don't care what it is. What do you sell?

RITA: I sell hot tubs.

50PLUS MILFS: You're a hot tub saleswoman? That's sexy. And by the way, who's the other dude in the studio

with us? The guy who keeps on edging closer to see you.

RITA: Oh, you're talking about my boyfriend? He came along with me today. He wanted to watch me pose and fuck. He loves to see me get cum all over my face. He's the best boyfriend a girl could ever have!

50PLUS MILFS: I assume that the two of you fuck a lot?

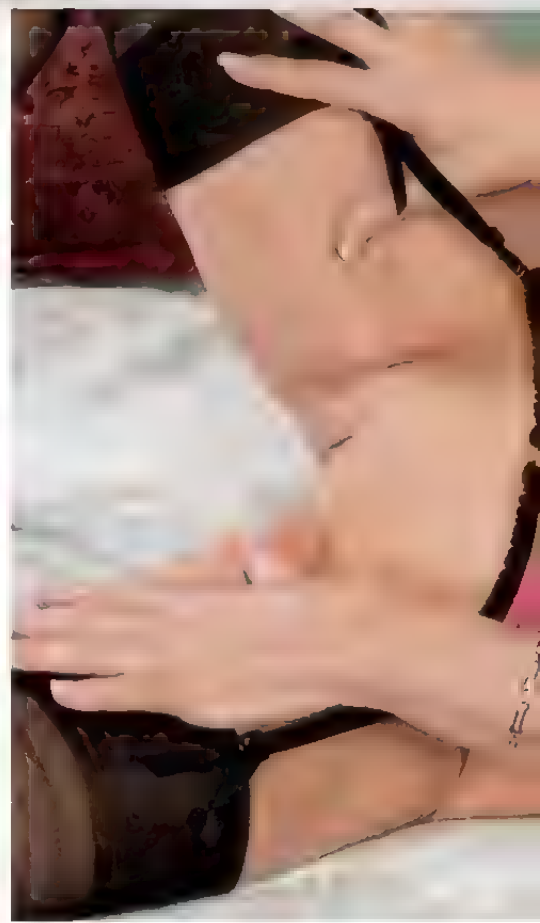

RITA: We fuck every day. I couldn't go without having sex every day.

50PLUS MILFS: But he also likes to watch you fuck.

RITA: I think he prefers it. He's going to watch your stud cum in my mouth. It turns my boyfriend on to see me get cum all over my face and lick a guy's cum up. That's what I want. I want cum, too.

50PLUS MILFS: Now, we actually found you through 50PlusMILFs.com, right?

RITA: Yes. We watch it all the time, and we always end up having sex. I like to have my boyfriend put his finger in my

ass and cunt while I use my vibrator on my clit when we're watching 50PlusMILFs.com videos on our computer. And yes, I did say cunt. I think it's a very sexy, naughty word.

50PLUS MILFS: Which not too many women will say, but when you say it, it's very hot. Can you pull your nipples out over your corset?

RITA: Okay, I guess I can do that for you. *[She does so]* Do you want the other one, too? *[She pulls out her other nipple and pinches it]*

50PLUS MILFS: You have big tits.

RITA: Double-Ds. Thirty-six double-D. I like them a lot. I love my tits, and every man I've been with loves them, too. They're nice and firm, and they look wonderful in clothes and they feel great when you suck them.

50PLUS MILFS: Can you suck on them?

RITA: No, I can't, but I can almost lick my nipples. Close but not quite. I wish I could. I'd suck them all the time.

50PLUS MILFS: What do you like a guy to do to you most?

RITA: I like for him to nibble on my nipples a little bit. Pull on my nipples. Lick 'em. Suck 'em real slow. I also love when he's fucking my cunt in the mis-

sionary position, and he bends over and sucks my nipples. I love having a cock in my pussy and a man's hot mouth on my tits.

50PLUS MILFS: Are you sure you've never done this before? You talk like a fantasy porn star.

RITA: I haven't! Positive!

50PLUS MILFS: Now, you said before that you're a salesperson.

RITA: I am. I sell hot tubs. But I'm not just a salesperson, I'm a sales rep.

50PLUS MILFS: Sell me a hot tub.

RITA: *[Puts on a seductive voice]* Do you have lots of stress and tension built up

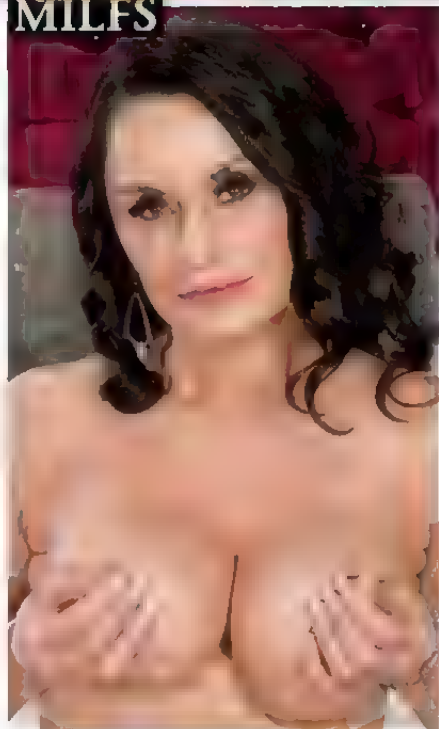

and nobody at home to massage you and take care of you? Do you have a girlfriend? Because you know, a hot tub is like a chick magnet. All you have to do is tell 'em, "I have a hot tub," and they will be right home with you.

50PLUS MILFS: So that's how you sell a hot tub. But your tits aren't out when you're giving your sales pitch, right?

RITA: Usually not quite this far.

50PLUS MILFS: How far?

RITA: Well, I'll be covered up, but you can always see some cleavage. Maybe a nipple will pop out once in a while. That's my hard sell!

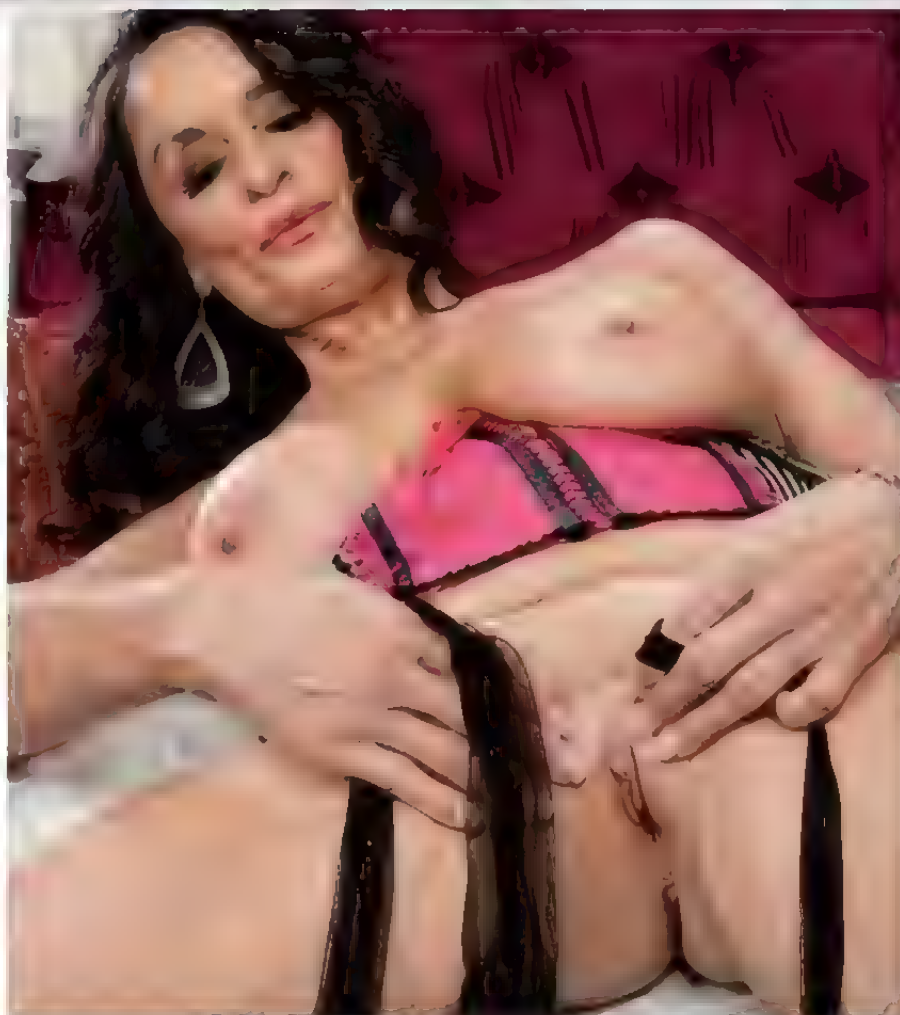

50PLUS MILFS: Do you usually wear panties?

RITA: No, not really, especially when I'm wearing a garter. It gives me more freedom of movement.

50PLUS MILFS: To do what?

RITA: To climb in and out of my hot tub. I love having the jets swirl around my pussy, and I have one jet

that I call the "I don't need a man jet" when I don't have a man with me. It really turns me on. It's quite the geyser! *[She touches her pussy and fingers it, sliding in one finger, then two, then a third]* You know, my pussy is so hot and wet, and it's so fuckable! A hot tub is a great stress reliever, too.

50PLUS MILFS: Rita, I'm trying to concentrate on this interview while you're fingering your pussy. I'm gonna guess: Are most of your clients men?

RITA: Usually. They seem to find my sales pitch hard to resist! *[Laughs]*

50PLUS MILFS: Have you ever had girl-girl sex with a woman you've tried to sell a hot tub to?

RITA: Yes, I have. It wasn't exactly while I was selling her the hot tub. It

was afterwards, after she'd already bought it. She invited me over to try it out with her.

SOPLUS MILFS: How old was she?

RITA: Younger than me but a very mature, beautiful, sexy woman. We had a good time together. I know she was happy she bought the hot tub, and if she wasn't, I made sure she was happy. Satisfaction guaranteed!

SOPLUS MILFS: You told me something before we started this interview that's sticking in my mind.

RITA: What's that?

SOPLUS MILFS: The thing about dancing in the swingers' clubs.

RITA: Well, I dance in swingers clubs, and guys come up to the stage and watch me, and then I go to the back room with them.

SOPLUS MILFS: What happens next?

RITA: What happens in the back room stays in the back room. [Laughs]

SOPLUS MILFS: No, Rita, don't give that "what happens in Vegas, stays in Vegas" stuff! I need some answers. Pussy eating?

RITA: Yes.

SOPLUS MILFS: Tit-sucking?

RITA: Maybe.

SOPLUS MILFS: Blow jobs?

RITA: Oh, my favorite!

SOPLUS MILFS: Why are blow jobs your favorite?

RITA: Because I love to suck cock. I love feeling a big, hard cock in my mouth. I love starting with it soft and getting it hard and seeing the man's reaction.

SOPLUS MILFS: Pussy fucking? Does that happen in the back room?

RITA: Pussy-fucking, yes.

SOPLUS MILFS: What position?

*"I like to bend over,
pull his pants down
and slide it in right
from the backdoor.
I love cock!"*

RITA: Usually I like to bend over a little bit, pull his pants down and slide it right in from the backdoor. I love cock! I really do. I love it more than I've ever loved it in my life. And I really adore having my pussy eaten.

SOPLUS MILFS: You like getting fucked from behind?

RITA: Yes, where you can get lots of momentum going.

SOPLUS MILFS: So you dance and get them hard, then you take them back to the rooms and have sex with them?

RITA: Yes.

SOPLUS MILFS: Now that sounds like a

lot of fun. I've never been a swinger, but I could go for your club.

RITA: It is a lot of fun. I tease the guys and get them all excited with my dancing, then when they're all good and hard, I take care of them and take care of myself. Sometimes I'll do this several times a night. The more cum the better is what I always say!

SOPLUS MILFS: By the way, Rita I forgot to ask you how old you are.

RITA: I'm 59. I'll be 60 in June.

SOPLUS MILFS: Have you always been super horny or is that something that developed later in life?

RITA: I think it kind of developed later after all my little kids left the nest.

SOPLUS MILFS: So you're a MILF. Are you also a GILF?

RITA: I am a grandmother. I have four grandbabies.

SOPLUS MILFS: How many kids?

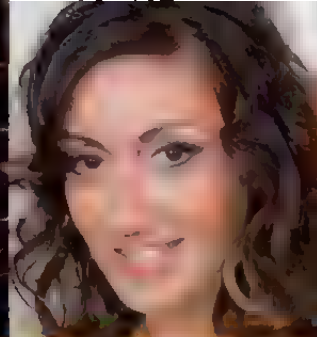

RITA: Four. They don't know I'm here.

SOPLUS MILFS: Would they be surprised to see you here?

RITA: Maybe. I don't know. I guess most people would be surprised to see their mother in a situation like this, but they know their mother can be sexy, and they've probably seen how men react to me.

SOPLUS MILFS: I noticed that your pussy is shaved. How old were you

Height: 5'5"
Weight: 130 lbs.

Lives: South Florida
Status: Divorced
Occupation: Dancer

Here's Persia Monir. Her look is exotic, her body is perfect and she's one of the horniest women we've ever met. "I fuck everywhere I go," Persia said. She fucks on video in the DVDs *Seasoned Sluts* and *50Plus MILFs*, and in these pictures, she's getting fucked in the ass for the first time on camera. "I was never going to do it," she said, "but so many people asked that I decided to give it up."

Interview

50Plus MILFs: In *40Something* and at 50PlusMILFs.com, we've called you the world's sexiest golfer.

Persia: Thank you. I'm flattered.

50Plus MILFs: Did you ever play professionally?

Persia: I never played on the LPGA tour. I played in some futures events, but I played a high level of amateur golf. I've won the Trans National, and I played in the Western. I never went to LPGA qualifying school, but I played in the U.S. Amateur qualifier. I feel I'm good enough to be a pro. And I give topless golf tips!

50Plus MILFs: Who are the sexy female golfers?

Persia: There are so many cute young girls out there. Brittany Lincicome, Cristie Kerr. She's hot. Michelle Wie. She's very sexy.

50Plus MILFs: Who's a male golfer who does it for you?

Persia: I like Tiger, believe it or not. His game is so sexy. He's such a great player. I always liked Greg Norman's body. You know who I like? Jim Furyk. He looks like he has a big dick.

50Plus MILFs: How about giving us a golf tip. What's the proper way to grip a putter?

Persia: You want to hold it like you're holding your cock. If I was giving instruction to a guy, I'd tell him to hold his putter like he holds his dick, very softly but firmly.

50Plus MILFs: It's funny because you're in the straightest, nerdiest sport and you're so sexy.

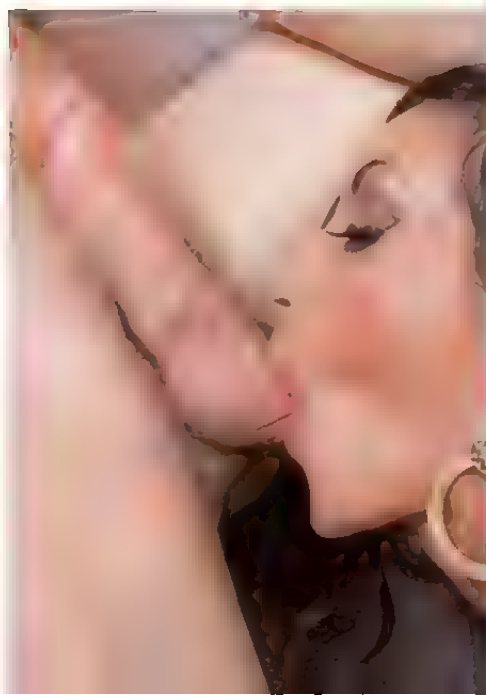

Persia: Well, I am kind of a nerd. It's a different personality when you see me out there in a tournament. I really follow the dress code because I have to cover up my body with more-conservative stuff.

50Plus MILFs: You can't hide the boobs, can you?

Persia: No, and it looks ridiculous when I swing. I have fucked on many a green. It's so much fun.

50Plus MILFs: Why is fucking on a green better than fucking in bed?

Persia: Because you're not supposed to, right? I used to fuck my golf teacher every single day. I sucked his cock on the way to the course and then I would fuck him when we had the chance. I got really good at golf!

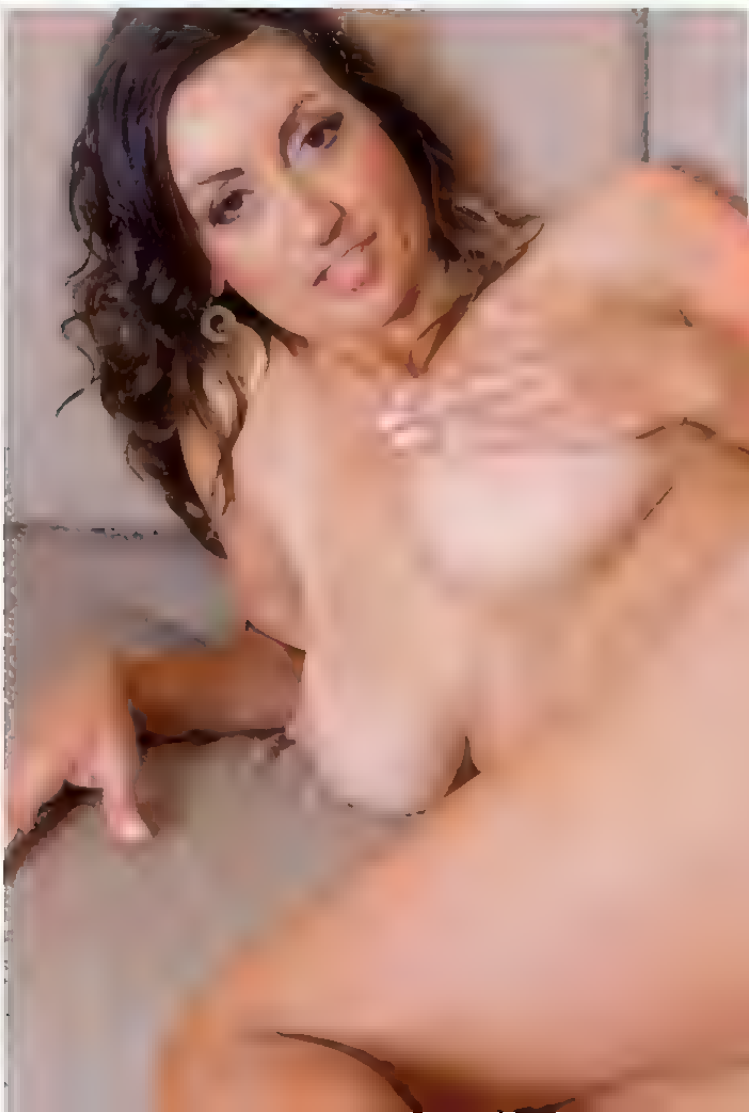

"I think he should suck my ass and my pussy," Persia said when we asked her how her first anal scene should go. "Get it all nice and wet, don't you think? Then fuck my pussy. I've put dildos up my ass, and the best way I could get them in was to put another dildo in my pussy, so I'd like to finger myself while he fucks my ass. I think it's going to be the hottest scene because I have the hottest ass. My little virgin butt hole...are you guys ready for this? Do you have your cock in your hand? I'm so excited to do this!"

His cock has been sucked, her pussy has been fucked and now it's time for Persia to take it up the ass for the first time on camera. Look how happy she looks while that cock is ramming her asshole. See how she spreads her pussy lips while he slams her anus. It's quite possible that Persia has just become the first professional golf instructor to get ass-fucked on camera. "Now take your cock in your hand like you're gripping a putter, stroke it and squirt your cum on my pictures," Persia said. Talk about a hole in one!

Interview

50Plus MILFs: Hi, Luna, how are you? The readers might have seen you at 50PlusMILFs.com or in 40Something magazine, but now you're back and you're going to do something a little different.

Luna: That's right. This will be my first interracial. I'm excited and looking forward to it.

50Plus MILFs: Have you ever had sex with a black man before?

Luna: No, I haven't, but I've heard from my girlfriends that once you do black, you never go back. I guess I'm about to find out.

50Plus MILFs: Are you excited?

Luna: Curiosity and anticipation. I want to know if it's true. Once you do black, do you go back?

50Plus MILFs: You're in amazing shape. Do you workout a lot?

Luna: I'm very good about going to the gym four times a week. I do weight-resistance training. I do a lot of cardio. I've worked really hard on getting definition on my arms, my legs and my health core. I do it for health reasons because as I age, I want to do things I want to do. If I want to have sex with a man who's young and has a lot of strength and stamina, I want to be able to keep up with him.

50Plus MILFs: You're hot. You have big boobs, don't you?

Luna: Yes, I do. I love my boobs.

50Plus MILFs: How big are they?

Luna: I'm a 36D. *[She takes out her tits]* I didn't hear any surprise over my nipple piercings.

50Plus MILFs: Well, I've seen them before. They're great. How does it feel when you pull on one?

Luna: It depends. I recently had to re-pierce them because I was asked to remove them, and I found out that the holes close up in a day, so I had to get re-pierced. So I doubt if I'll remove them again.

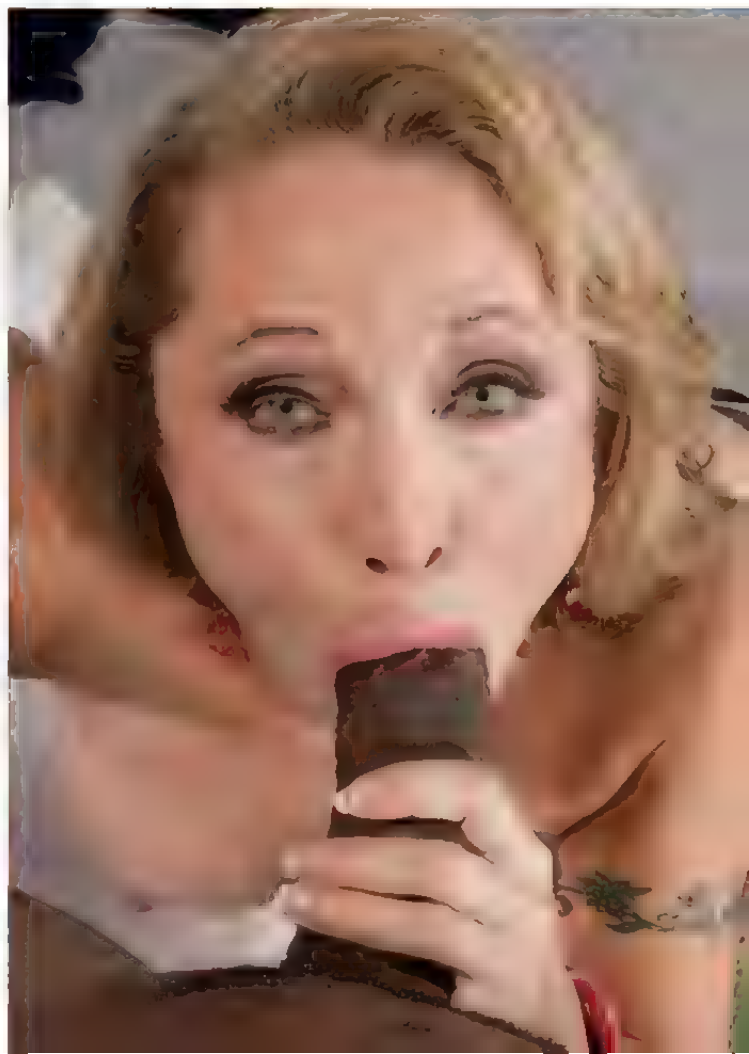

50Plus MILFs: For how long have you had your nipples pierced?

Luna: Five years.

50Plus MILFs: Why'd you do it?

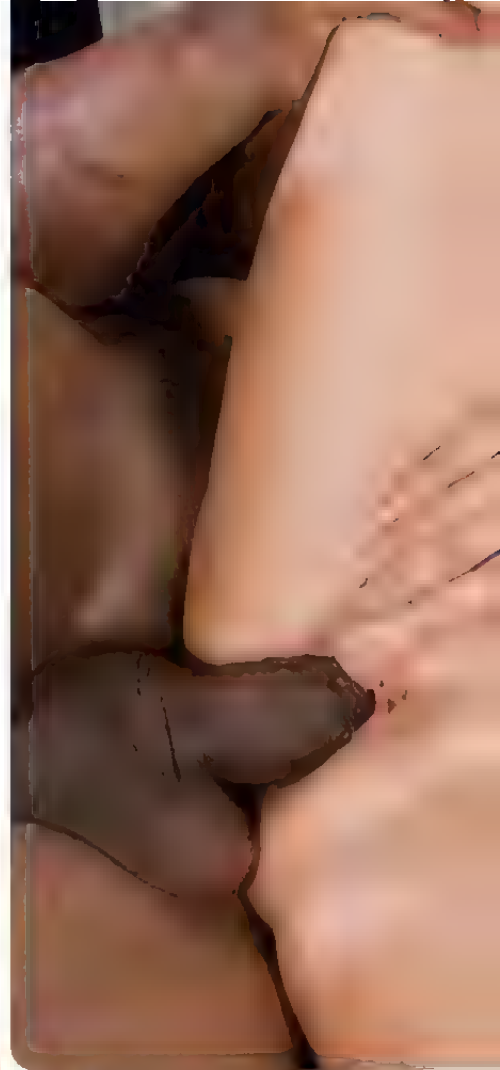

Luna: I think I'm going through a rebellious stage. My kids accuse me of going through mid-life crisis, which is okay. That probably is true or I

Interview continued on page 62

"I have a beautiful 883 Harley Sport ster," said 58-year-old MILF/biker chick/hard-body Luna Azul. "I love the vibration between my legs. People say to me, 'Why didn't you get a larger bike because they don't vibrate as much,' and I'm thinking, 'You don't know how much I enjoy the vibration.'" In these photos and the new DVD *Chocolate Stuffed MILFs* (you can see a preview beginning on page 14), the vibration between Luna's sexy legs is getting turned up all the way by something she's never had before: a black cock. "I can't wait to feel what it feels like!"

"I'm fucking more than I ever have," Luna said. "I don't care how old a guy is, as long as he has a hard cock and knows how to lick my pussy and fuck it. Some women retire to their beach condo in Florida. Some women sit around playing cards. I fuck." And she fucks well. You can see how much Luna is enjoying the first black cock that's inside her pierced pussy. She lies on her side and gets her cunt hammered, and all the while she's looking into the camera and daring us to jack to her photos. Then she lies back, spreads her legs as wide as she can (she's very flexible) and gets her pussy drilled in the missionary position. When we showed that photo to Luna, she blushed and said, "It looks like he's going to split my poor pussy in half! It felt that way, too. I've never felt so stuffed in my life!"

Now that she's had sex with a black man, Luna is ready to move onto her next adventure. "I'm fascinated by the thought of doing a gang bang," she said, "but the opportunity hasn't come yet. Maybe a small gang bang with three or four guys. I know I can make it happen by just asking, but I'm hoping the opportunity comes to me...like my first time with a black man." Luna enjoyed it, by the way. "But don't worry," she said. "I still love cocks of all colors!"

Luna Azul

wouldn't have bought my Harley. I wouldn't have a dance pole in my bedroom. [Laughs] And I got tattooed, and of course I started piercing my body. I like doing things that are taboo.

50Plus MILFs: Do you have a lot of sex?

Luna: I have sex almost every day.

50Plus MILFs: Where do you find your partners?

Luna: Well, my number one companion is my vibrator, and occasionally I have a couple of friends who I share time with, and we'll have great sex. I'd

"I loved the contrast of his black cock against my white skin and pink pussy. But most of all, I loved his creamy white cum!"

like to have more sex.

50Plus MILFs: When did you have your pussy pierced?

Luna: I'd say about four years ago. I love it because I can put my vibrator on it, and it intensifies the vibration.

50Plus MILFs: What is the ring attached to?

Luna: I'm pierced on the hood of my clitoris?

50Plus MILFs: Can you feel it when you're not having sex?

Luna: No, but if I put a vibrator on it, I cum in seconds. I'll even ejaculate.

50Plus MILFs: What's your favorite way to have sex?

Luna: I like to ride, cowboy style. I can control the penetration a little bit better, and if I position myself just right, the man will be hitting my G-spot. There've been a couple of times when I've orgasmed and ejaculated all over the man.

50Plus MILFs: Have you always been sexual, or did you become sexual at a later age?

Luna: In the beginning, you're faking it. You see it in the movies so you try to copy it, and I probably was in my 20s when I worked as a flight attendant, and I had an incredible lover, and he taught me about orgasms. I've been having orgasms since then.

50Plus MILFs: Have you had sex on an airplane?

Luna: Yes. I was on my way to Hawaii on my honeymoon with my former husband and I'd always had a fantasy about having sex in the bathroom of a 747, so I took my husband in there, and we had sex, but one of the things you learn is that it's cramped and small, so I only gave him a blow job. That was the most comfortable of all the positions possible. We tried, but there was no way to comfortably have sex in the bathroom.

50Plus MILFs: Is that the wildest thing you've ever done?

Luna: Yes, but when I worked at a city job, I had sex with my lover in the employee bathroom. They had showers there, and it was the kind of thing where you could lock the door, and we didn't know somebody was waiting, and finally, they started knocking on the door, and my lover was very good about shielding me when we walked out, but the guy probably knew.

50Plus MILFs: How'd you feel about that?

Luna: Kind of like doing something you're not supposed to and getting away with it. I liked it. Kinda like what I'm doing here today. I'm having sex with a man I've never met on camera, which you're not supposed to do, and it's interracial sex, which is something not everybody does. Like I said, I'm in my rebellious stage. But I love it! **50**

Destiny Anne

53

YEARS OLD

Born: March 11, 1957

Height: 5'

Weight: 118 lbs.

Lives: Tampa, Florida

Status: Married

Occupation: Heart specialist

Most women remember their wedding night as one of the most romantic times of their life...a time they shared with their new husband, being alone, making love. Not fucking. Making love. On Destiny Anne's wedding night, she and her husband went to a swing club after the ceremony, and she got 12 guys off. "Some I fucked, some I sucked, some I gave hand jobs" she said. "My husband watched. Later on back at our hotel, my husband told me, 'Tonight, Mr. 13 is the luckiest man in the world!'"

Interview

50Plus MILFs: I understand that you're a heart specialist. Are you sure you don't mean hard-on specialist?

Destiny Anne: [Laughs] Well, that, too! I'm good for your heart and good for your hard-on!

50Plus MILFs: What sexually satisfies you best?

Destiny Anne: Making a man cum. There's just something about it that makes me feel good. I guess that's the unselfish side of me.

50Plus MILFs: What haven't you done in life that you'd like to do?

Destiny Anne: Be a porn star! I guess this is my first step, and I'm loving it so far. But I think becoming a full-time porn star is just a fantasy.

50Plus MILFs: What are some of your other fantasies?

Destiny Anne: I'm not sure you have the time for me to tell you all of them! I'll give you my two favorites. In one, I'm having a three-way with a man and another woman, and we both share his load. Just when he's about to cum, we both get under his cock and he cums on both of us, then we lick it all off each other's faces. And my second favorite fantasy is taking on several men at once.

50Plus MILFs: A gang bang?

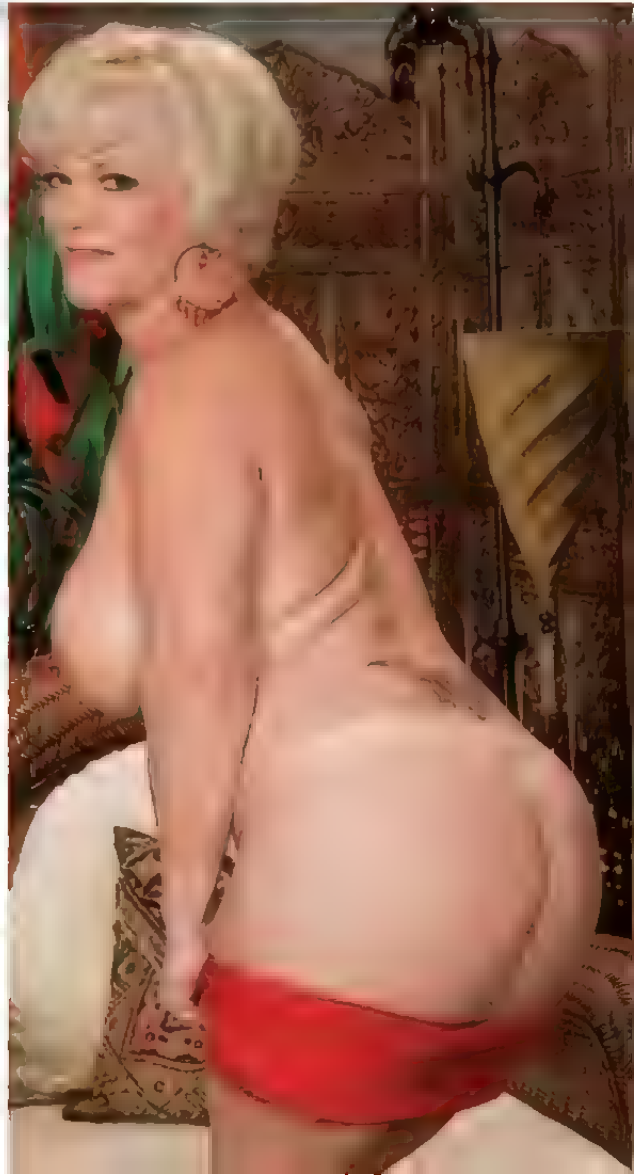

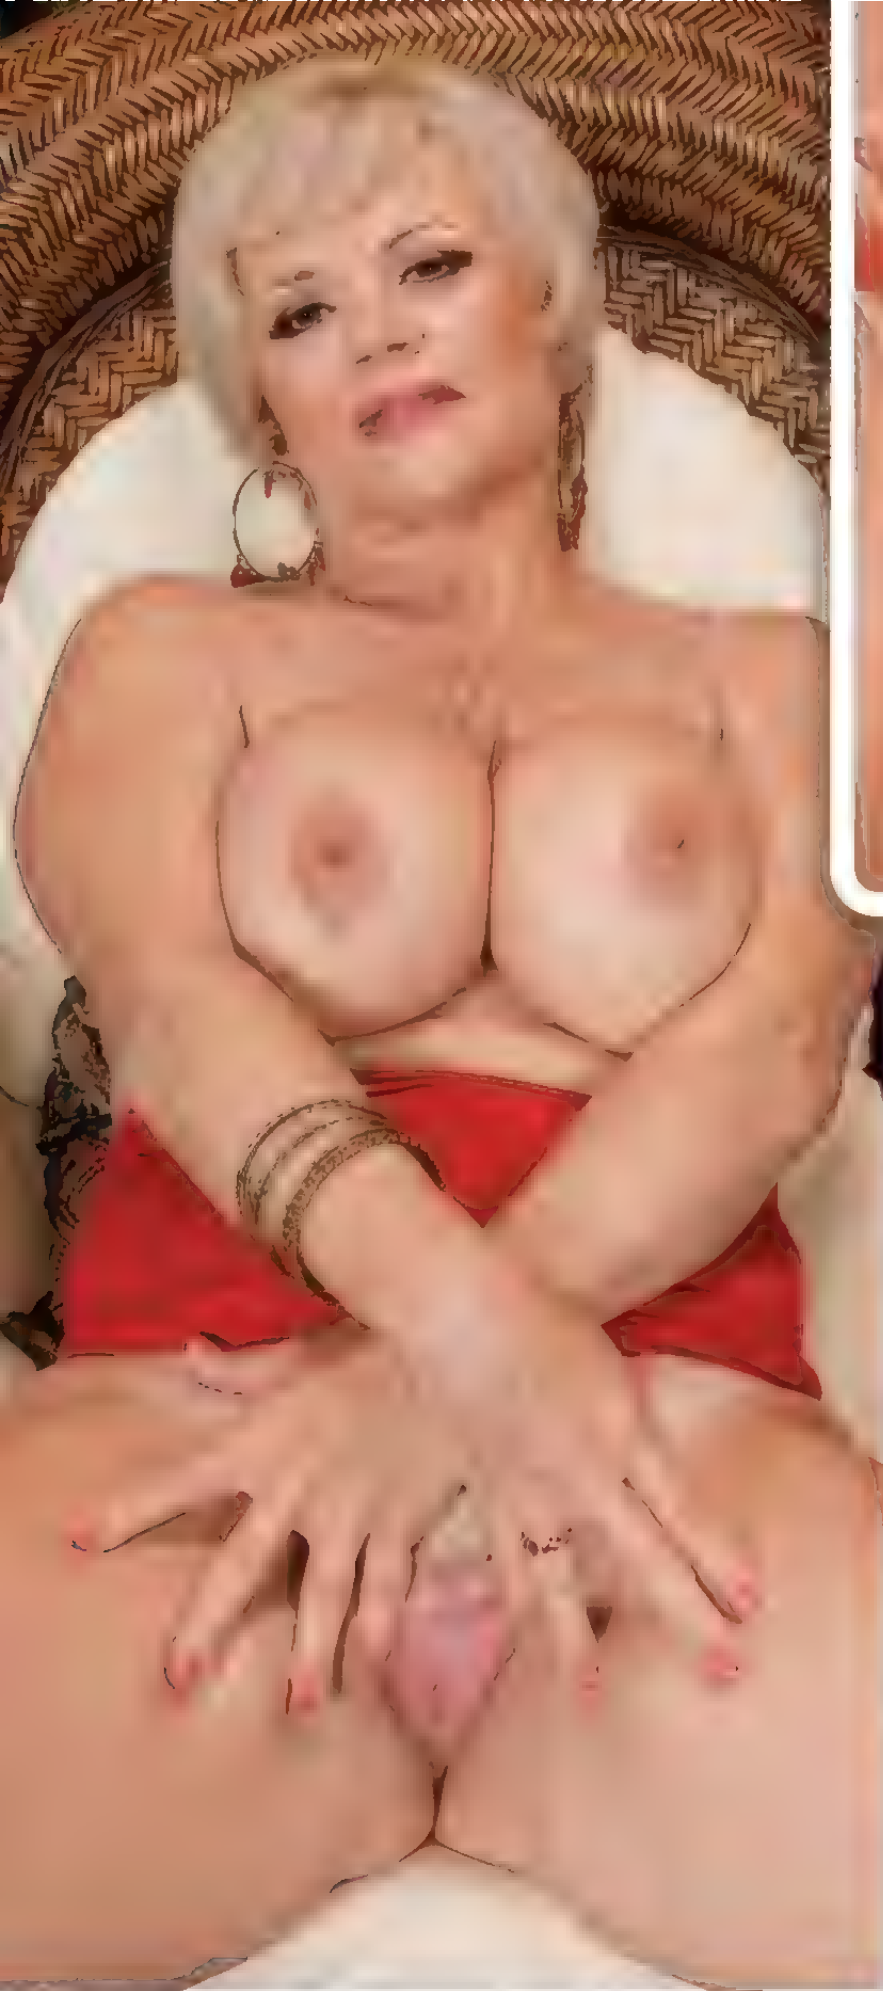

Destiny Anne: Yes, but the important thing isn't how they fuck me. The fantasy for me is when they cum all over me.

50Plus MILFs: I'm starting to notice a distinct pattern in your sexual preferences.

Destiny Anne: You mean that I love cum? [Laughs] In the scene I did for *50Plus MILFs Anal Edition*, after the man fucks my ass, I got under him and sucked his balls until he shot his cum all over my face. I got a little in my eye, but I didn't mind. I've heard some women say that cum in the eye stings, but I really loved it. I had cum dripping off my face, down my neck. I was totally glazed! [Laughs]

50Plus MILFs: Why do you think you love cum so much?

Destiny Anne: Well, I love the way it tastes, but most of all, when a man is shooting those thick, sticky rods of cum, I know I've satisfied him. And there's nothing I love more than satisfying a man.

At just five feet tall, Destiny Anne is a little fuck toy, and she likes to be manhandled when she's getting fucked. "Pick me up and stick your dick in my pussy while I wrap my legs around you," she said. "Bounce me up and down on your cock, then if you want, you can stick it in my ass, too. There's almost nothing I don't like. Some people are surprised when they find out how wild I am. I mean, I look like someone's Aunt Betty, but that's what makes it so much fun, that I look so straight and conservative, but underneath, I have these big, fake tits and wet holes that need fucking."

Destiny Anne is a heart specialist. Hers is a high-pressure job that requires intense concentration and puts a drain on one's mental energy. She posed for *50Plus MILFs* and 50PlusMILFs.com because "it's the last thing anyone who works with me would expect me to do and because a woman like me deserves to let loose and have a good time once in a while. During the day, I'm a very competent, thorough professional. In my private life, I fuck lots of men, eat lots of pussy and enjoy getting my face sprayed with cum. I think a woman deserves that."

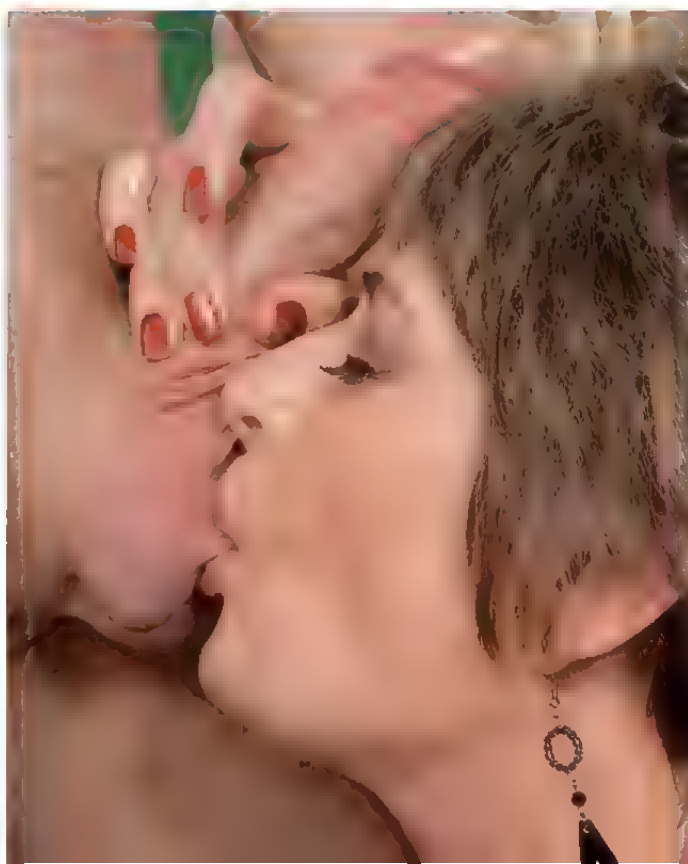

Victoria

Born: October 25, 1951
Height: 5'9"
Weight: 145 lbs.

Lives: Phoenix, Arizona
Status: Married
Occupation: Flight attendant

Interview

Editor's note: Victoria is married now, but she was less than a week away from her wedding when this interview was conducted prior to this shoot.

50Plus MILFs: Victoria, this is your first time ever on film, right?

Victoria: Yes, it is.

50Plus MILFs: You've never been a stripper?

Victoria: No. I've fantasized about it, but no.

50Plus MILFs: Ever been to a nude beach?

Victoria: Yes, in Turkey.

50Plus MILFs: Ever had your photograph taken nude?

Victoria: No.

50Plus MILFs: So you are a complete film hardcore virgin.

Victoria: Yes, I am.

50Plus MILFs: Not a swinger?

Victoria: No. Raised in Ohio. Just a good little girl. In fact, a couple of months ago, my next-door-neighbor, who's younger, kept calling, "Hi, MILF." I thought he was saying milk.

50Plus MILFs: What's the youngest guy you've ever been with?

Victoria: When I was 40, I had sex with a 22-year-old virgin. He didn't tell me that I was his first experience until after he was with me, and I said, "Then you're going to have to leave because I'm not going to break and train anybody." That was the only time. I'm not a teacher. He was young and hard, but he wasn't great.

50Plus MILFs: How did this come about?

Victoria: I met him at the ice cream shop. [Laughs] Yes it's true. He started following me home. I was working, and he started following me home and putting notes under my windshield wiper. He was such a baby, what could I say? I had never met him before?

50Plus MILFs: How long did it take for him to get to you?

Victoria: I have children, so it took a few days for us to orchestrate it.

50Plus MILFs: Do you have grandchildren, too?

Victoria: Yes.

50Plus MILFs: Then you're a GILF! So what brings you here? What's your story?

Interview continued on page 78

Perhaps by now you've read the interview with Victoria, in which she reveals that she's a flight attendant who was getting married just a few days after she fucked and sucked for the *50Plus MILFs* cameras. Perhaps you know by now that until this, she was a total porn amateur. Never stripped, never posed for any amateur photos with her ex-husband or now-husband, nothing. And maybe you know that she did this as a gift to her soon-to-be hubby. But here's what you don't know. Victoria loved fucking on camera. She loved the entire experience, from being pampered and madeup to fucking.

Our photographer's pre fuck conversation with Victoria went this way: "What should I do?" Victoria asked. "Just have fun," our photographer said. "Do what you normally do when you have sex." Victoria thought about that for a few seconds and said, "Should I be a slut? Do you want me to be wild?" And we said, "Just be yourself." So she did, and it turned out that real Victoria is a sloppy-sucking, hard-fucking, dirty-talking mature nymph-in-waiting who absolutely could have been a big-time porn star if she had pursued this sooner. "I could get used to doing this all the time," she decided.

Victoria's wild side came out before the fucking started. It came out, in fact, during the pre-fuck interview, when your editor was trying to ask her questions while the porn stud ate her pussy. Victoria was so into having her pussy eaten on camera that she not-so-politely asked your editor to shut up so she could concentrate on her cunt. He, of course, followed her directions. Because when a sexy, big-titted, first-time MILF like Victoria is enjoying herself on camera, you need to just let things come naturally. And cum naturally. Said Victoria, "I came again and again and again!"

Victoria Peale

continued from page 71

Victoria: The story is that it's a gift for my future husband. I should be doing wedding and flower arrangements, but I'm doing XXX-rated movies instead.

50Plus MILFs: It's kind of a bachelorette party by yourself.

Victoria: [Laughs] That's what I

thought! I told him, "I'm leaving, I'll see you when I get home and don't ask what I'm doing until I get back."

50Plus MILFs: How did this come about? Did he ask for it?

Victoria: I didn't realize that he enjoys watching 40something videos until I discovered it on our computer and questioned him and he said, "Would you do it?" And I said, "No. I'm marrying you. Why would I do that?" Then I found out that he really

wanted me to do it. I mean, a lot!

50Plus MILFs: What was your first reaction to this?

Victoria: I thought he must have had something he was trying to set the score on before we got married. I thought he had cheated on me and I didn't know it, and now I was going to have sex with another man and that would even the score, so we'd both had sex outside our relationship.

50Plus MILFs: But this is different. He wants you to be on film where many, many other people will watch you get fucked and jerk off to it.

Victoria: That's right. And the guy I'm going to have sex with is younger than my youngest child.

50Plus MILFs: Wow!

Victoria: So finally I got the answer from my fiancé that he's always been with me and he's never been able to step away from the action, having been in the action with me, and see the big picture, which is seeing me in action. That's what he wants.

50Plus MILFs: So this could be a one-time thing?

Victoria: I don't know.

50Plus MILFs: What do you do for a living?

Victoria: I'm a flight attendant.

50Plus MILFs: For how long have you been doing that?

Victoria: Ten years. I love it.

50Plus MILFs: Have you ever noticed that when guys fall asleep, they get a hard-on?

Victoria: No, but there was one hard-on that I couldn't miss because he was knee-to-knee with me on a jump seat going to Puerto Rico. Passed out with his dick hanging out the side of his shorts, but we were on final approach so I couldn't get out of my seat and do anything about it. And when he woke up, he didn't even bother to tuck it back in.

50Plus MILFs: What did he do?

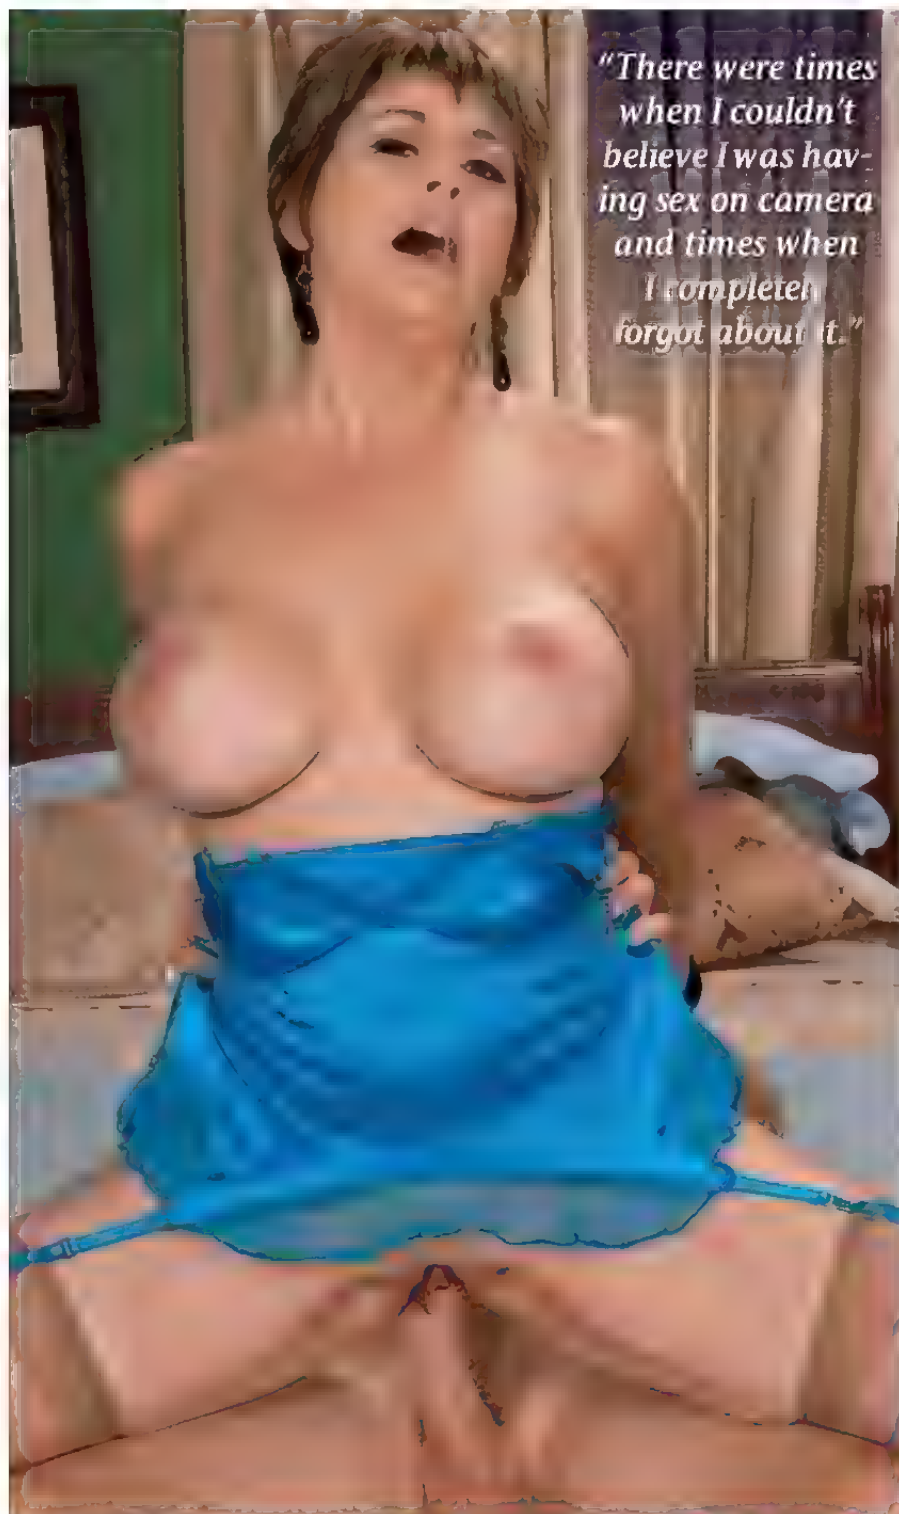

Victoria: He picked up his bag, did what guys do and got off the plane.

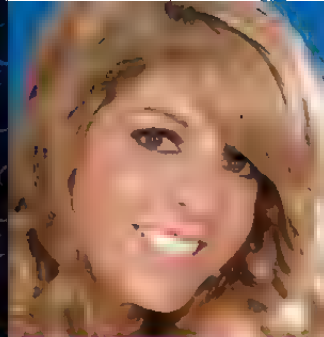

50Plus MILFs: You didn't point out that his cock was hanging out of his pants?

Victoria: Why would I point that out? I was enjoying looking at it. It was quite nice, to be honest.

50Plus MILFs: Victoria, we're enjoying looking at you, and we wish you a very happy marriage

Victoria: Thank you! I sure hope my fiancé enjoys this!

Blonde hair, big tits, a furry pussy, an insatiable appetite for sex and a mouth that lets you know it. That's Chance Evans, born and raised in New York City, now living in Fort Lauderdale, Florida, showing her stuff for the first time in *50Plus MILFs* magazine and online at 50PlusMILFs.com. "Call me your little whore," she said. "Fuck my pussy like you're trying to split me in half. I don't care if people think I'm a slut. I am!"

Interview

50Plus MILFs: Hi, Chance, and welcome to *50Plus MILFs* magazine. Tell us about yourself.

Chance: I'm horny!

50Plus MILFs: What else?

Chance: I love cock!

50Plus MILFs: Okay, what do you like to do for fun?

Chance: Is there anything more fun than sex? Some people think that when you get older, you slow down on sex, but I know better. I know that once you get older, there's nothing that's taboo, and an older woman knows how to do it right and better than those young girls. They're so worried about their bodies and their drama. At 50, we're just getting started. Everything else before is just child's play. This is where the good pussy is. *[Taps her pussy]* It's not old. It's banging hot!

50Plus MILFs: What's your favorite position?

Chance: I like reverse cowgirl because I like feeling a man's cock all the way deep inside me, and he can grab my ass and play with it and make me cum all over his dick. I like getting my pussy juices all over a guy's dick, then when we're done, I'll suck them off, my juices and his cum.

50Plus MILFs: You are horny. And you're a MILF, aren't you?

Chance: Yes I am. I have a teenage daughter who I love to hang out with. She knows her mother can be a slut.

50Plus MILFs: I'm sure she gives you all kinds of advice about men. What do you like?

Chance: My favorite is a guy who's rough. He doesn't bother with rose petals on the bed. He just takes his hard cock and fucks me like he's supposed to. Because let's face it, at 51, I don't want romance. I want dick. I want to cum. I don't care if you call me a whore. Just make sure you make me cum.

50Plus MILFs: What's the best way to make you cum?

Chance: Bite my clit. Pull on it, lick it and rub it hard. Then fuck me. Think you're banging my pussy hard? I need you to go deeper and harder and faster. Pull my hair and call me a fucking slut because that's what I want to be. Your slut.

Chance has some unusual likes and dislikes. One of her sexual fantasies is to have sex with a vampire. She once fucked on a craps table in the middle of a casino in Las Vegas. She likes to masturbate in public, so if you see a hot mature chick walking around with her hands down her pants, it's probably Chance. And get this: We asked her which part of a man's body she looks at first, and she said, "His Adams apple. There's something phenomenally sexy about it. I don't usually check out a man's cock. I assume when the time is right, it'll be hard."

We asked Chance, "What do you want to try in life that you haven't done yet?" And she said, "This! Showing off my big tits and horny pussy and asshole in a men's magazine? What could be better? Getting to fuck a hung stud who I just met a few minutes ago? Knowing that all you guys at home are sitting there with your dicks out, jerking off to my pictures? What could be more exciting? What could make a 51-year-old woman feel better about herself? So please, jack your cocks, then write me a letter telling me how much cum you shot onto my pictures. Are the pages sticking together? Good! Then I know I've done my job right!"

when you started shaving your pussy?

RITA: I was probably 54. But my pussy is waxed, not shaved because I don't like the five o'clock shadow, and when it's waxed, it always comes in nice and smooth. I love having a smooth pussy, not only for men to touch but for me to touch. So, anyway, the first time I had my pussy hair removed, it was a Brazilian where they put hot wax all over your pussy and rip out your hair. It only hurts for a second, then it's very invigorating. I had a boyfriend who wanted me to do it, and he didn't have to talk me into it. I'd been thinking about it for a while. And ever since then, I haven't had any hair on my pussy. It feels good, and I love looking down and seeing nothing but cock going in and out of my pussy. I'll never forget the first time I had my shaved pussy fucked. I kept looking down and thinking, "There's no hair on my pussy!" and I practically demanded that he cum on my bare pussy mound because I wanted to rub it in.

50PLUS MILFS: Now that's hot, but I'm not surprised. You're hot! Is sex different with a shaved pussy than with an unshaved pussy.

RITA: Definitely. I prefer a guy who's hairless, too, because I don't like getting hair between my teeth when I'm sucking his balls and sucking his cock. I like him to be nice and clean, too. You don't want me to have to stop and get hair out of my mouth, right?

50PLUS MILFS: Definitely not. So here's a message for all you guys who are planning on going to Rita's club: shave your balls and your cock.

RITA: Definitely. Then I can give your cock and balls my full attention with my mouth and tongue.

50PLUS MILFS: Rita, you're giving me a hard-on.

RITA: That's the whole idea, Dave!

50PLUS MILFS: Do you consider yourself a good cock sucker?

RITA: I think I'm a good cock sucker, yeah. I try to get as deep as possible. I can get it all the way down my throat, all the way to the balls. I get it all nice and wet. I suck and lick every inch. I pay attention to your balls and suck them into my mouth, but I'm careful about it so I don't hurt you. I'll stroke your cock while I'm sucking your balls,

then I'll play with your balls while I'm sucking your cock. I think you'd enjoy a blow job from me. Most guys have a hard time keeping from cumming. It's okay if you want to cum in my mouth and on my face, but if you're gonna do that, then you have to promise to eat my pussy until I cum over and over again, then fuck my pussy really hard when you get it hard again.

SOPLUS MILFS: What's the wildest thing you've ever done sexually?

RITA: The wildest thing I've ever done sexually? When I met my boyfriend for the first time, I flew all the way from Reno, Nevada, to New York City, and I was just mad about him. We'd chatted online, we'd talked on the phone every day for hours, but we'd never met, so he flew me to New York City and took me for this wonderful dinner, and he had this other guy lined up to fuck me in front of him. So that was probably my wildest sexual moment.

SOPLUS MILFS: So you were fantasizing about fucking your new boyfriend's cock...

RITA: And he was fantasizing about me fucking another man's cock in front of him and getting cum all over my face.

SOPLUS MILFS: Did you do it?

RITA: Yes, of course. But it was very unusual. It was something I had never done before, and I had no warning that it was going to happen. When I saw his friend, I just thought, "Oh, they're both going to fuck me. That could be interesting." But then it turned out he wanted me to just fuck his friend. Of course, I got to fuck my boyfriend later, but not before his friend had cum inside my pussy. His friend had a nice cock, and I wanted to make my new boyfriend happy. I love making men happy. It makes me happy.

SOPLUS MILFS: Rita, you're making a lot of men very happy right now.

RITA: Thank you. That's why I'm here. To make my boyfriend happy and to make you guys happy, and I'm going to get fucked soon, so that's going to make me happy.

SOPLUS MILFS: Okay, so we heard about your wildest sexual experience, and now we know about your boyfriend's fantasy, which he's living every day with you. But how about your fantasy?

RITA: That's easy. Playing strip billiards and getting fucked on the table by three burly biker boys.

SOPLUS MILFS: So you're playing billiards with the bikers, or they come in afterwards and take you?

RITA: Well, that sounds like fun, too, but no, in my fantasy, I'm playing billiards with the three biker boys.

SOPLUS MILFS: How old are they?

RITA: All ages. I don't discriminate.

SOPLUS MILFS: Bikers. So they're big, rough and dirty?

RITA: That's right! They're definitely not gentlemen at all.

SOPLUS MILFS: So who wins?

RITA: Well, I win because I get fucked by three biker boys! But I lose at billiards. On purpose, of course. At first, I want to be the only naked person in the room.

SOPLUS MILFS: And then when they sink the eight ball...

RITA: That's when they start sinking their cocks in my mouth and pussy!

SOPLUS MILFS: Sounds like fun.

RITA: I'm sure it would be. But it's something I haven't done yet.

SOPLUS MILFS: What's sexy to you?

RITA: In a man, it's just a look. I don't really go for a particular type of man, body-wise. I go for a personality. Suave, submissive, worldly. I like a man with some intelligence. For me, it's wearing a

garter with thigh-highs. Wearing sexy clothing. Seeing a man I want and going for it.

50PLUS MILFS: Do you usually initiate sex or do you wait for him to make the first move?

RITA: I love to initiate sex. Men love when a mature woman comes up to them and gets sexually aggressive. I think that's because it's something most younger girls won't do.

50PLUS MILFS: What sexually satisfies you best?

RITA: When the guy can find my G-spot, either with his fingers or his tongue. I've been known to be a squirter, and when I squirt, you know you've done me right. Of course, just because I don't squirt doesn't mean I didn't have a good time. But when I squirt, that's the ultimate. I remember the first time I squirted, I didn't know what was happening, but my partner knew. He said, "I hit your G-spot. You squirted!" But now I know, and I love to make it happen. Two or three fingers deep in my pussy, curled upwards, will always do it for me.

50PLUS MILFS: Rita, we've seen you fucking on 50PlusMILFs.com, and the reaction to you was tremendous. Here are some of the things members said: "She is a complete meal from appetizers to dessert. A delicious dish of sexual decadence and debauchery." Another member wrote, "Her ageless beauty, her elegantly long legs and her powerful sexuality can leave you breathless and entranced. She should have her own HBO Special, but in the meantime, we could plead with her to provide the world with just a few more minutes of a sex goddess here on Earth. Rita Daniels if you would bestow us this gift, I'm sure the mortgage/credit crisis would fade, the war could end and hundreds of gallons of cum would erupt and the world would be a better place." How does that make you feel?

RITA: Wonderful! I have a lot of confidence in myself, but I've never put myself out there like this, so I was nervous about what the guys might say. I think what's important is that I'm a real woman who came here to have a good time, and I'm having a good time, and I guess it shows on camera.

50PLUS MILFS: Another guy described you as a "classy-looking lady who turns into a slut when the clothes come off."

RITA: That's me in a nutshell, and I'm glad it's coming through!

Interview

50Plus MILFs: Hi, Georgette. We're very excited to have you here, and you seem very excited to be here.

Georgette: I am! This is a fun thing for me. I don't do it for a living. I'm definitely not a professional model or a porn star.

50Plus MILFs: But you like this, don't you? How come?

Georgette: I guess it's a little bit of a thrill. It's something most women my age don't do.

50Plus MILFs: You're really popular. I don't know if you know that.

Georgette: My friends have friends in Michigan, and one of them got one of the magazines and it said that I was one of your most popular models, and I said, "I don't understand why."

50Plus MILFs: No idea?

Georgette: No. There are so many girls, I don't know why the readers would pick me, but it's nice. It's kind of a good feeling.

50Plus MILFs: Do you get that in your personal life, people telling you how sexy you are?

Georgette: Not really. I have people tell me I'm very attractive, but I just say thank you and move on. I don't want to get a big head.

50Plus MILFs: When you first saw your pictures in *40Something* and your videos, what did you think?

Georgette: I've only seen one or two of the magazines, and when the movie came out, *Over 60 & Slammed*, my girlfriend had a party to show it to all my friends. And I'm sitting there watching myself have sex while a whole bunch of people are watching. I was a little embarrassed, but everyone said, "Oh, wow, that's great!"

50Plus MILFs: What's the difference between having sex on camera and in a swingers club?

Georgette: Normally in the lifestyle, you have a whole group, maybe five, six, seven couples, and everyone swaps. And here I'm being filmed, so it's a little different, whereas when you're at a party, once in a while someone's watching, but mostly they're doing their thing.

50Plus MILFs: Georgette, we love watching you do your thing.

Georgette: Thank you!

You didn't think the first issue of *50Plus MILFs* magazine was going to happen without the most-popular MILF ever making an appearance, did you? Of course not! But you were probably wondering, "What is 65-year-old Georgette Parks going to do this time that we haven't seen her do before?" Well, for the first time on camera (she's done this type of thing many times in her not-so-private life), Georgette is fucking two guys at once. One in her mouth, one in her pussy, then the ol' switcheroo, and at all times, Georgette's mouth and pussy are filled. "I love cock," Georgette said, "and the more the merrier!"

"I like younger guys, but I don't have them that often," Georgette said, "so having two of them at the same time was a real treat. Most younger guys don't have the confidence to approach an older woman like myself, and I'm never going to be the aggressor in a sexual situation, so I rarely get young guys. And in a situation like this, it makes me feel good to know that at 65, I can still get two young guys hard and satisfy them. I always cum on the set, and this time I came over and over!"
